THE NEW X.1 TRAIL

WAS DREATED TO FULFILL THE DEMANDS OF ALL-MOUNTAIN RIDING, HAVING THE RACE GENES, WHILST USING A SPORTY UPPER FOR HIGH PERFORMANCE COMBINED WITH A RUBBER OUTSOLE IN A LOW-PROFILE DESIGN.

This durable shoe is built around a nylon shank that pedals like a XC shoe, combined with our SUPTRACTION rubber outsole that provides great grip and traction when you are off the bike. The fit is secure and supportive thanks to a buckle and two-strap closure system, while a reinforced toe box offers protection from impacts.
